## Report of Independent Registered Public Accounting Firm

### The Board of Directors and Members C&C Trading, LLC

We have audited the accompanying statement of financial condition of C&C Trading, LLC (the Company) as of December 31, 2010, and the related statements of income and members' equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of C&C Trading, LLC as of December 31, 2010, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplemental information shown on pages 9 and 10 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

## **C&C Trading, LLC**

### **Notes to Financial Statements**

#### **1. Business Operations**

C&C Trading, LLC (the "Company") is a privately held proprietary trading firm. The Company engages in various trading and market making strategies in equities, ETFs, futures and other securities. The Company focuses on arbitrage and relative value strategies. The Company is a registered market maker on BATS exchange, NYSE ARCA and Direct Edge Exchange. The Company is also a member of the Chicago Mercantile Exchange's COMEX division.

#### **2. Significant Accounting Policies**

##### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingencies at the date of financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

##### ***Cash Equivalents***

For purposes of the statement of cash flows, the Company considers all highly liquid investment instruments with a maturity of three months or less at the time of purchase to be cash equivalents.

##### ***Fair Value Measurements***

The Company follows Financial Accounting Standards Board (FASB) guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist. All investments held at December 31, 2010 are valued using Level 1 inputs.

##### ***Fair Value of Financial Instruments***

Securities and commodity transactions are recorded on the trade date. Investments are valued at fair value based on market quotations.

## C&C Trading, LLC

### Notes to Financial Statements

#### 2. Significant Accounting Policies *(continued)*

##### ***Investment Valuation and Income Recognition***

Investments are carried at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are included in the determination of income.

The following table presents information about the Fund's investments, trading and securities sold, not yet purchased measured at fair value as of December 31, 2010:

	Level 1
<u>Investments, trading</u>	
Equities	\$ 5,732,746
Futures	356,579
	<u>\$ 6,089,325</u>
 <u>Securities sold, not yet purchased</u>	
Equities	\$ (18,784,159)
Futures	(52,139)
	<u>\$ (18,836,298)</u>

##### ***Property and Equipment***

Property and equipment acquisitions are stated at cost and are depreciated using the straight-line method over the useful lives of the assets.

##### ***Translation of Foreign Currencies***

Gains and losses resulting from foreign currency transactions are included in net income.

##### ***Income Taxes***

The Company is treated as a partnership for Federal and state income tax purposes and accordingly does not record a provision for income tax because the individual members report their share of the Company's income or loss on their tax returns.

The Company recognizes the effect of income tax positions only when they are more likely than not of being sustained. At December 31, 2010, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. The Company is no longer subject to U.S. federal, state or local income tax audits for periods prior to 2007.

## **C&C Trading, LLC**

### **Notes to Financial Statements**

#### **2. Significant Accounting Policies *(continued)***

##### ***Guaranteed Payments***

Guaranteed payments to members are expensed in the current year for services rendered.

##### ***Securities Sold, not yet purchased***

The Company has sold securities that it does not own and will, therefore, be obligated to purchase such securities at a future date. A gain, limited to the price at which the Company sold the security short, or a loss, unlimited in amount, will be recognized upon the termination of a short sale. The Company has recorded this obligation in the financial statements at the year-end fair value of the securities. There is an element of market risk in that, if the securities sold short increase in value, it will be necessary to purchase the securities sold short at a cost in excess of the obligation reflected in the statement of assets and liabilities.

##### ***Subsequent Events***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were issued.

#### **3. Regulatory Requirements**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. In addition, the rule provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At December 31, 2010, the Company had net capital of \$12,522,864 which was approximately \$12,362,720 in excess of its minimum requirement of \$160,144. The Company's net capital ratio was .19 as of December 31, 2010.

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 in that the Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(ii).

#### **4. Commitment**

The Company leases office space from its clearing company on a month to month basis. The fixed monthly rent is \$11,533.

## **C&C Trading, LLC**

### **Notes to Financial Statements**

#### **5. Concentration of Credit Risk**

Financial instruments that subject the Company to concentrations of credit risks consist of its investments, foreign currencies and options. The Company maintains its foreign currency accounts at three financial institutions and its investments with one brokerage firm. The Company enters into various transactions involving derivatives and other off-balance sheet financial instruments. These financial instruments include futures, forward and foreign exchange contracts used in trading activities. Futures contracts are executed on an exchange, and cash settlement is made on a daily basis for market movements.

Accordingly, futures contracts generally do not have credit risk. Market risk is substantially dependent upon the value of the underlying financial instruments and is affected by market forces such as volatility and changes in interest and foreign exchanges rates.

In the normal course of business, the Company's customer activities involve the execution, settlement, and financing of various customer securities transactions. These activities may expose the Company to off-balance sheet risk in the event the customer or other broker is unable to fulfill its contracted obligations and the Company has to repurchase or sell the financial instrument underlying the contract at a loss.

Supplemental Information

**C&C Trading, LLC**  
**Report of Independent Auditors On**  
**Internal Accounting Control**  
**Required By SEC Rule 17a-5**  
**December 31, 2010**

O'Connor Davies Munns & Dobbins, llp  
ACCOUNTANTS AND CONSULTANTS

**Independent Auditors' Report on Internal Control Structure  
Required by SEC Rule 17a-5**

**The Board of Directors and Shareholders  
C&C Trading, LLC**

In planning and performing our audit of the financial statements of C&C Trading, LLC (the "Company"), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c-3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, Inc. and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

C&C Trading, LLC.  
Independent Accountants' Report on  
Applying Agreed-Upon Procedures  
Related to SIPC Assessment Reconciliation  
December 31, 2010

**To the Board of  
C&C Trading, LLC.:**

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended December 31, 2010, which were agreed to by C&C Trading, LLC and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating C&C Trading, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). C&C Trading, LLC's management is responsible for C&C Trading, LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement entries, noting no differences;
2. Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2010, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2010, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences; and
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
